MEMBERSHIP CLASSES

The Society of Accredited Marine Surveyors® (SAMS®) shall have three (3) primary classes of membership: Accredited Marine Surveyor (AMS®), Surveyor Associate (SA), and Affiliate Member. The Board of Directors shall have freedom to establish additional designations pertaining to areas of specialization within these three (3) classes. Prerequisites for membership and rights of members in each class shall be as follows:

ACCREDITED MARINE SURVEYOR:

1. Candidates must be currently practicing marine surveyors with at least five (5) years surveying experience, accumulated within the past ten (10) years, in the field of expertise in which accreditation is desired. Credit of up to three (3) years of the five (5) years required may be granted for related marine experience. Acceptability of related marine experience shall be determined by the Membership Committee and/or Board of Directors.
2. Applicants must affirm that they will abide by the By-Laws, Code of Ethics, Policies, official decisions and amendments to such of the Society of Accredited Marine Surveyors® (SAMS®).
3. Candidates must complete an application form, supply a complete resume and submit for review a number of surveys as may be required by the Membership Committee.
4. Candidates must successfully complete a written exam on their selected field of accreditation as prescribed by the Testing Committee and conducted by that Committee or their designated representative. Cost related to administration of said examination shall be borne by the candidates. Examinations will be reviewed by the Testing Committee and results submitted to the Membership Committee.
5. Applicants must agree to participate in and meet all requirements of the Society of Accredited Marine Surveyors® (SAMS®) program of continuing education as established by the Education Committee and/or Board of Directors.

SURVEYOR ASSOCIATE:

1. Applicants must be marine surveyors who do not yet meet prerequisites for acceptance as Accredited Marine Surveyors.
2. Applicants must affirm that they will abide by the By-Laws, Code of Ethics, Policies, official decisions and amendments to such of the Society of Accredited Marine Surveyors® (SAMS®).
